

# HOW TO GET YOUR PROGRAM ACCREDITED

Through a rigorous review process and forward-thinking leadership, NCACE provides the highest quality, empirically-based guidance for the creation, implementation, and evaluation of coach education and coach development programs. The accreditation process reviews programs based on the following guidelines:

## ORGANIZATIONAL OVERVIEW

- Mission and Objectives Demonstrate a Commitment to High Quality & Systematic Coach Education
- Systematic Oversight & Record Keeping of the Coach Education / Development Program

## PERSONNEL

- Administrative Leader with Expertise in Coach Education or Coach Development
- Instructional Staff Demonstrate Expertise in Coach Education/Development, Coaching (skills, knowledge, competencies), and Teaching/Instructional Design

## OPERATIONAL PROCEDURES

- Program Content, Requirements, Evaluation and Fees are Provided
- Practical Field Experiences are Included as an Integral Part of Programming
- Successful Program Completion Based on Reliable and Valid Assessment of Program Objectives
- Exercise a Commitment to Diversity in Programming, Recruitment, and Program Completion
- Implements Program Evaluation to Determine Effectiveness in Educating/Developing Coaches

## CONTENT

- Curricular Content Aligned with the National Standards for Sport Coaches
- Sufficient Instructional Time Provided to Develop Core Coaching Responsibilities
